My name is Gerald Cuvillier and I want to go on record as supporting SB114 , known as the Sheriff's First Bill. I think this federal government has been overreaching in it's authority for many years now. It is the duty of the several states to bring this out of control government back to the confines of the U. S. Constitution. The states created the federal government, not the other way around and the states are the only recourse we have to restore constitutional order.

Thank You for allowing me to speak before this committee.

Sincerely

Gerald J. Cuvillier
